

# Fly High With Reading!

Dear Woodview Families,

Beginning in September, the school, in conjunction with the PTG, will again be sponsoring a school-wide reading incentive program called, "Fly High With Reading!" The program is designed to place an emphasis on reading or being read to at home, as research has shown that the benefits of this are numerous! With the weather outside starting to get cooler, it is the perfect time to curl up inside with a good book!

## How does the program work?

Each grade level has set a reading goal either in minutes or books for the students to try and achieve for the month. Students receive rewards for participating, meeting their goal, and surpassing it!

## What is the reward?

Each month, students can accumulate points towards tickets good for games at Woodview's Fun Night, on **sometime in April or May** (the date is still to be determined). Fun Night is an annual family event put on by the PTG where we turn the school into a mini-carnival with games, raffles, food, and much more! The tickets are awarded as follows:

- 1 ticket– Turning in the monthly reading sheet with at least one day of reading filled in.
- 2 tickets – Turning in the monthly reading sheet **and** meeting the reading goal set by the teachers.
- 3 tickets – Turning in the monthly reading sheet **and exceeding** the reading goal set by at least 30 minutes (Grades 2-5) or 2 books (Kindergarten & Early Childhood).
- 5 ticket bonus – Students who turn in their calendar every month from September through April will receive 5 extra tickets!

The maximum number of tickets each student could earn would be 29 tickets (3 each month for September, October, November, December, January, February, March, and April in addition to the 5 ticket bonus.)

## What do families need to do?

For your child to participate, simply use the monthly recording sheets attached to this letter to record your child's reading during each month throughout the year. At the end of the month, please total up the reading, sign the sheet and return it to school. We will keep track of your student's tickets at school. The tickets your child earns will be set aside for you to pick up at Fun Night.

**Happy Reading!**
